

# I ♥ K FAQs

**OCTOBER 7**  
– through –  
**NOVEMBER 7**

The Kolter we know and love isn't just a place for learning, it's a community where our kids are inspired, motivated, and loved. As a PTO, we are committed to providing our community with experiences, activities, and resources that wouldn't be possible without the supplemental funds provided by the I Heart Kolter Annual Campaign.

## What is I Heart Kolter (IHK)?

I Heart Kolter (IHK) is our school's annual family underwriting campaign. Contributions made during the campaign provide the essential, unrestricted funds that make up the majority of the PTO's annual budget. The funding and resources provided by HISD are do not sufficiently provide the quality and experiences we know and love about Kolter. In fact, the difference between what HISD provides and what you've come to expect at Kolter are often larger than we realize because IHK funds have consistently filled the gap.

## Is there an option for monthly payments?

Yes! You can either pay your donation in full or have a recurring monthly payment.

## Is my donation tax deductible?

Yes it is!

## Will the PTO ask me for more money throughout the school year?

Yes – there are other annual fundraisers at Kolter, including an online silent auction and Boosterthon (a fun athletic event in the Spring where people pledge funds for a student's physical activity output). However, IHK is the only time this year that you will be asked to make an unrestricted monetary donation.

## My company says they "match gifts" – does that help?

Yes – we love matching gifts! Even if you're not sure your company matches, it never hurts to ask. Let us know if you need help navigating.

how sweet it is...
